

No Reason

Wax

Uh
That's just the way it is
If it ain't my birthday I'm just gonna say it is
That's the way to live, where the waiter is
Bring the cake
Nutha bottle nutha day we finna celebrate
Tell ya girl to bring a friend, if she British bring a mate
She gon love this party if she's into feelin' great
All love zero hate leave that stress at ya crib
Every day could be the greatest that's the way that I live
Every second is an opportunity to rage
We could turn a weeknight into a freaking rave
Ain't gotta be no reason, it's just for the thrill
If you say I shouldn't that's a reason that I probably will

We don't wait for the weekend
We can go any night all night long
We don't need a reason
Oh no, oh no
We don't need it
Dance to the music if you feel it
Pour the wine drink it til it's gone
We don't need a reason
Oh no, oh no
We don't need it
No reason
We don't need it
No reason

Drifitn' on a melody
Laid back in my element enveloped in hella trees
There ain't no need for jealousy exhibited no, just come and git with me
When we in ya town
We we can git down
I come around like a damn comet
Your plans stop em cans pop em we gon do this like we ain't got no option
It might be... just one night only that we in your community
You don't wanna look back at this as a missed opportunity
I'm a sucker for the sweet life
Puffin on a peace pipe
If you wanna do life right this is some free advice
We reach heights at the highest of altitudes
Fly with us check out the views

We don't wait for the weekend
We can go any night all night long
We don't need a reason
Oh no, oh no
We don't need it
Dance to the music if you feel it
Pour the wine drink it til it's gone
We don't need a reason
Oh no, oh no
We don't need it
No reason
We don't need it
