

**Pam**

**Wax**

Hello cubscouts  
This is a song of a good girl gone awry  
Please gather round the campfire with us

Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam

I always thought you was so strong  
I heard you got a weak spot on your arm  
I wanted my baby's mama to be just like you

Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam

It seems like love comes and goes  
With you it's all or nothing I suppose  
I never thought that you could get so low  
It's not like I tried to help you though  
I wanted my baby's mama to be just like you

Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam

Was it yo man  
Was it yo man, did you follow your man

Goddamn  
Goddamn what happened to Pam

I heard they took your girl away  
She ain't fit, that's what I heard them say  
Well I'm fucked if that is true  
'Cause I still want my baby's mama to be just like you

Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam  
Goddamn  
Goddamn what happened to Pam

Let's go!  
This is the part where everybody dances  
Fuck yeah!  
Put on your dancin' fuckin' shoes

Give me a P  
Give me an A  
Everybody frolic and be happy and gay  
Give me a P  
Give me an A  
Everybody frolic just be merry and gay
