

Tijuana

Wax

Yo, put your glass up
Let's get mashed up
Otra tequila, mama, dame lo que necesito en Tijuana
Put your cups up
Let's get fucked up
Otra tequila, mama. Big Wax, Herbal T, we in Tijuana

Southern Cali living, Five south on the freeway
Parked at the border, take a walk into TJ
Cab to the club, mad love for the DJ
Pumping this shit on replay
Como se dice fucked up, "Jodido"
Me and Herbs call me, comemos MCs like sofrito
Their rhymes suck, and their beats is wack
We on Revolución and the streets is packed
We checking out the señoritas and adelitas
And I can't get enough of these chicas
Money is the W-A to the X again
And my favorite type of women is Mexican. I love them
It must be the accent
They got my crew wondering where Wax went
I'm in the back getting danced on by females with no pants on
And they all singing this damn song

Yo, put your glass up
Let's get mashed up
Otra tequila, mama, dame lo que necesito en Tijuana
Put your cups up
Let's get fucked up
Otra tequila, mama. Big Wax, Herbal T, we in Tijuana

Hay una de las cosas que se tienen en Tijuana
Tráficoantes parecidos a Tony Montana
Gente buena, gente mala, gente bien insana
Metanfetamina, cocaína, marihuana
Crossing the border, we got that fama
Wax and Herbal T se, llama
El grupo que supo, how to stack chips like nachos
Pinches gabachos, bien borrachos
Drunk as fuck, buscando comida
Down on Revolution Avenida
Se ve la mexicana con comida en la olla
Tacos al pastor con cilantro y cebolla
Y tienen más sabores
Llegó el estrella con botellas de cazadores
It's the bull ring matadores
They all been singing with us loud as fuck 'cause we at the chorus
Vamonos

Yo, put your glass up
Let's get mashed up
Otra tequila, mama, dame lo que necesito en Tijuana
Put your cups up
Let's get fucked up
Otra tequila, mama. Big Wax, Herbal T, we in Tijuana

Están escuchando el sonido de Wax, and Herbal T, E-O-M

En la producción de Elementos de la Música. Motherfucker

We in the Nissan Central, full throttle down the Baja
At the bar like, fuck a bottle, dame la caja
We chopping MCs like pico de gallo
And we ordering tequila like it's Cinco de Mayo. And we
Knocking the Cuervo back. And we
Rocking sombrero hats. And we
Feeling magnifico
We got buckets of Corona y Pacifico

Yo, put your glass up
Let's get mashed up
Otra tequila, mama, dame lo que necesito en Tijuana
Put your cups up
Let's get fucked up
Otra tequila, mama. Big Wax, Herbal T, we in Tijuana
