Wax

Pull up to the club
Dressed to kill
Hop out the back of the stretch DeVille
Order me a drink, extra chill
The bartender said he never seen a thousand dollar bill
On stage was a rap clique
Steady spittin' on some wack shit
I looked at Wax and I knew he was on the same page
So we broke the fuck out and bum-rushed the stage
Grabbed the microphone from the front of their face
Then we proceeded to rock the place
It was shaking
The entire show vibrated
Hit the hydro so I could stay hydrated
Eyes go dilated
[?] for the regulation my flow violated
Yes
We burning down the building
Wax, Herbal T
We do it for the children

It's like that y'all
It's like this y'all
Wax and Herbal T we never miss y'all
We just stay up in the lab making hits y'all
And every track that we drop is the shit y'all
Now roll, and rock
Pull that weed up out your sock
Now get stoned, pick up the phone
Tell yo bitch to stay at home (let's do it like this)

[?] high as shit
Corduroys on lookin' fly as shit
Made my approach to the flyest chick
Said "Hey my name is Wax wanna ride my whip?"
We was rollin'
To the crib [?]
Johnny Gill style I was rubbing it the right way
Little surprise
I just spin her some lies
And had her giving out the brain like the Wizard of Oz
I'm sayin'
Whatchu know about a player like me
Cool motherfucker from the AGP
I got my man Herbal T on the side of me
And when we rock the microphone we do it incredib-ally
We in the back of the 'llac lookin' [?]
Flow stay hot, margaritas on the chilly side
On the rocks when we pump up the box
It's just so goddamn unorthodox

It's like that y'all
It's like this y'all
Wax and Herbal T we never miss y'all
We just stay up in the lab making hits y'all
And every track that we drop is the shit y'all
Now roll, and rock

Pull that weed up out your sock
Now get stoned, pick up the phone
Tell yo bitch to stay at home (let's do it like this)

Now drop
Now dip
Now bump the shit in your whip
Bring it to the club
Let's ride
We gonna party all the way inside
Now all my ladies put your ass in it
Put your titties in it
Put your pussy in it
Get in the zone
Goddamn
So sexy
Now please can I take ya home
I wanna hit it from the front
From the side
Now play with your pussy in the ride
So when we get home, it's moist
How you want it it's your choice
I'mma give it to ya
