

## Wax Plays A Song For Amy Winehouse

Wax

This is your boy, Wax  
I love Amy Winehouse's music so much I wrote a song about it

You know life is crazy, and baby, so are you  
And Amy, I'm crazy too  
I take trips by myself  
But it's never lonely in my ride  
I pop you in and you're by my side

'Cause love is really a losing game  
It's a shame  
And I feel your joy and I feel your pain, yeah

You're so new and so fresh  
And it feels so good to be depressed  
And Amy, I think I'm in love with you  
You know love is crazy, and baby, so am I  
And when the sun goes down, I feel your tears dry  
And I won't forget you even if I play you out  
Cause right now you're what I'm all about

Cause love is really a losing game. Yeah  
And I feel your joy and I feel your pain

'Cause you're so new and so fresh  
And it feels so good to be depressed  
And Amy, I think I'm in love with you  
'Cause I love Back to Black  
And you even got Ghostface on the track  
And Amy, I think I'm in love with you  
Cause I'm in love with you
