

## Born to Love You

Waylon Jennings

Born to love only you destined to die alone without you  
Knowing my dreams can never come true yet  
Knowing that I was born to love you

Night after night wanting for you living a life built around you  
u  
Knowing my dreams can never come true yet  
Knowing that I was born to love you

Knowing my dreams can never come true yet  
Knowing that I was born to love you
