

# Let Me Tell You My Mind

Waylon Jennings

Some quiet morning let me let me tell you my mind  
Before the sun find you here beside me one more time  
Let me tell you my mind  
How I want you to stay and never think about goin' away  
Oh oh, baby let me tell you my mind.  
Oh oh, baby let me tell you my mind.

Crazy things keep a running through my head  
Let me tell you my mind  
When my shoes are under your bed one more time  
Let me tell you my mind  
Tell you of the thrills I find  
They will keep running through my mind  
Oh oh baby, let me tell you my mind.  
Mhm oh oh baby, let me tell you my mind.

If my mind could write the words to say  
Let me tell you my mind  
I'd read them to you some better day one more time  
Let me tell you my mind  
If my story never ends and I never have you again  
Oh oh baby, let me tell you my mind.  
Oh oh baby, let me tell you my mind...
