

Under Your Spell Again

Waylon Jennings

I swore the last time that you let me down that
I wouldn't see you if you came around
I can't tell my heart what's right or wrong
And I've been so lonely since you've been gone

You've got me under your spell again saying those things again
Making me believe that you're just mine
Dreaming those dreams again scheming those schemes again
I've gotta take you back just one more time

Everybody tells me that I'm a fool that
I never should have put my faith in you
Way down deep inside I guess I know it's true
No one else can make me feel the way you do
You've got me under your spell again

I've gotta take you back just one more time
I've gotta take you back just one more time
I've gotta take you back just one more time
