

Blessed For Sure

Waylon

And just like anyone else, I know
The feeling you get when you're feeling low
And all that you worked for is going wrong
And just like everyone, I've got days
I hate my job and I forget the pain
Bills keep coming, man, it keeps piling on

Then I take a good look around
See that I'm on solid ground

It ain't about deserving
'Cause I get more than I deserve
It ain't about winning
The wheel keeps spinning till I get my turn
Yeah, Lord knows I've been lucky with all my gifts
My life, my love, my wife and kids
Sometimes I may not know what it's all for
But I'm blessed for sure

Some days I just can't win
I'm running in circles and back again
It's hard to find the strength to keep going on
Seems like every channel on TV
Everybody's fighting 'bout everything
It's easy to let the bad stuff drag ya down

Then I take a good look around
See that I'm on solid ground

It ain't about deserving
'Cause I get more than I deserve
It ain't about winning
The wheel keeps spinning till I get my turn
Yeah, Lord knows I've been lucky with all my gifts
My life, my love, my wife and kids
Sometimes I may not know what it's all for
But I'm blessed for sure
Yeah, I'm blessed for sure

'Cause it ain't about deserving
'Cause I get more than I deserve
It ain't about winning
The wheel keeps spinning till I get my turn
Yeah, Lord knows I've been lucky with all my gifts
My life, my love, my wife and kids
Sometimes I may not know what it's all for
I'm blessed for sure
Yeah, I'm blessed for sure
