Waylon

From the top of the mountain
To the bottom of the ocean
The places that we've been
Or the places we're going
The miles that we've travelled
The stones we've been rolling
The fires that I burned, and the world of uncertain
The one thing I know is

It's where I walk in
And it's where I find
You're always there, wearing a smile
And it ain't a house
And it ain't a place
It's the love that I feel when I see your face
No matter where I go
When I'm with you, I'm home

And it's just like a river that's always flowing
Without an end, again and again
The door's always open

It's where I walk in
And it's where I find
You're always there, wearing a smile
And it ain't a house
And it ain't a place
It's the love that I feel when I see your face
No matter where I go
When I'm with you, I'm home

It's just a feeling within
And it's where my hearts always been

It's where I walk in
And it's where I find
You're always there, wearing a smile
And it ain't a house
And it ain't a place
It's the love that I feel when I see your face
No matter where I go
No matter where I go
No matter where I go
When I'm with you, I'm home

I'm home
I'm home
