

Lose It

Waylon

Get in a car and it's out of gas
Don't need to guess,
I know you drove it last
I'm confused babe
How hard is it to refuel babe, eh!
I'm at the counter at
The front of the line
I go to pay but the card is declined
I'm confused babe
I feel like a fool babe

I don't know why I do
I need you, I need you
I need you but
You make me wanna
Lose it
You make me wanna
Lose it
You know that it's true babe
I'm still into you babe
You know you make me wanna
Lose it
You make me wanna
Lose it
Don't know what to do babe
I'm at a hundred and two babe

We're checking in to fly to Mexico
I shoulda known
You'd leave your passport at home
I'm confused babe
You'd thought your library card would do babe
How is it possible to get here so late
Unless you're driving from a different state
I'm confused babe
I'm only two blocks from you babe

And I don't know why I do
I love ya, I love ya
I love ya but
You make me wanna
Lose it
You make me wanna
Lose it
You know that it's true babe
I'm still into you babe
You know you make me wanna
Lose it
You make me wanna
Lose it
Don't know what to do babe
I'm at a hundred and two babe

You're so damn cute (wow!)
Damn fine
And at the end of the day
I'm so glad that you're mine...

Oh baby, it's all right
(So now) pretty babe

You know you make me wanna
Lose it
You make me wanna
Lose it
You know that it's true babe
I'm still into you babe
You know you make me wanna
Lose it
You make me wanna
Lose it
Don't know what to do babe
I'm at a hundred and two babe

It's all right
It's all right

It's all right
It's all right
