

## Lea Ann

Wayne Hancock

Oh Lea Ann, my sweet Lea Ann  
I'm yours, you're mine  
It's so grand  
Let the storm clouds gather  
Like they used to  
Outside the rain is falling  
While inside I dream of you  
You're the sun that satisfies my soul  
You're the touch of spring  
You keep me from the cold

(2x):

I never thought I'd live  
To see those happy days  
I hope you're mine lea ann always
