

# Finest Hour

Wayne Watson

What a moment this is  
It is good to be alive  
There is still time for changing the world  
I believe it can happen  
God has given us life  
He has given us breath  
And the sun is not set  
We are not finished yet  
And I tell you there must be a reason

CHORUS:

This could be your finest hour  
This could be your greatest day  
This could be your finest hour  
Don't throw it away

'Cause you just never know  
You never know what's around the next bend  
There are answers to prayer  
So you just can't stop caring  
This is not the end  
It's not only the young  
No not just the fast or the strong  
But to the one who is wise  
Who will open their eyes  
To the spirit of God  
To His power

CHORUS

This could be your finest hour  
Are you ready to shine?
