Definitely Definitely Definitely Definitely

When I see you I see sunshine Clear skies of blue, every time I look at you You and I sippin' on red wine I'm so much into you, girl, my love is overdue

Definitely I want this to be So baby, come to me, you look full and so lovely, yeah Definitely I want this to be You're like the air I breathe, you're my ebony

If lovin' you is wrong I don't wanna be right, oh right And being bold as I am, I gonna tell you that you're dynamite It's not a secret love, so baby come on into the light, yeah Let me love you better

So definitely I want this to be So baby, come to me, you look full and so lovely, yeah Definitely I want this to be You're like the air I breathe, you're my ebony, yeah

Definitely want Definitely want Definitely want Definitely want

So when I see you I see sunshine Clear skies of blue, overtime I look at you You and I sippin' on red wine I'm so much into you, girl my love is overdue
