

# Eternal Flame

Wayne Wonder

Close your eyes  
Give me your hand, darlin  
Did you feel my heart beating  
Do you understand  
Do you feel the same  
Am I only dreaming  
Is this burning, an eternal flame

I believe  
We're meant to be, darlin  
I watch you when you're sleeping  
You belong to me  
Do you feel the same  
I am only dreaming  
Is this burning, an eternal flame

Say my name, sun shines through my day, darlin  
Life so lonely,  
'til you came and you ease the pain  
Do you feel the same  
Am I only dreaming  
Is this burning, an eternal flame

Close your eyes  
Give me your hand, darlin  
Do you feel my heart beating  
Do you understand  
Do you feel the same  
Am I only dreaming  
Is this burning, an eternal flame

I believe  
We're meant to be, darling  
I watch you when you're sleeping  
You belong to me  
Do you feel the same  
Am I only dreaming  
Is this burning, an eternal flame

Say my name, sun shines through my day, Darling  
Life so lonely,  
'til you came and you ease the pain  
Do you feel the same  
Am I only dreaming  
Is this burning, an eternal flame

Close your eyes  
Give me your hand, darlin  
Do you feel my heart beating...
