

OH WHY

Wayne Wonder

Garrison

Yeah eh
For the Girls them

The day you came into my life
Everything has been going right
My oh my
You're the apple of my eye
Really got me by surprise
My oh my

Since the other day
Love has found its way
Straight into my life
Why oh why

And if love treats me kind
I'ma be so blind
It's getting through my mind
And I don't know why
Oh why
I don't know why
Oh why
Listen...

Since the other day
Love has found its way
Straight into my life
Why oh why

And if love treats me kind
I'ma be so blind
It's getting through my mind
And I don't know why
Oh why
I don't know why
Oh why

Stay...

You are chosen from a few
God bless the day that I found you
Every moment is getting better
I never thought I had a clue
That you would be this beautiful
I want this love to last forever

Since the other day
Love has found its way
Straight into my life
Why oh why

And if love treats me kind
I'ma be so blind
It's getting through my mind
And I don't know why

Oh why
I don't know why
Oh why

Stay with me
Play with me
Let it be
Can't you see

You and me
Were meant to be
Faithfully I will be
Guarantee

Can't you see
Mentally
I am free

Ever since that day
Love has found its way
Straight into my life
Why oh why

And if love treats me kind
I'ma be so blind
It's getting through my mind
'Cause I don't know why
I don't know why
I don't know why
