

# Please Me

Wayne Wonder

Bom dem music  
You know you know you know you know, you know  
You know you know you know, know, baby  
You know you know you know you know, whoa whoa whoa  
Know you know you know

You know just how to please me  
You make it seem so easy  
You have no flaws at all  
So baby completely  
I'm falling deeply  
Can't help myself at all, baby

So glad that we are together  
And I love the feel  
The feel is so real  
No one has ever done it better  
Girl, girl, you whip ah feel  
Whip it down on me

You know just how to please me  
You make it seem so easy  
You have no flaws at all  
So baby completely  
I'm falling deeply  
Can't help myself at all, baby

Wul heap ah zeal wul heap ah excitement  
My love my love my love my entertainment  
Yuh neva boring up inna di apartment  
She bring di passion and di fire  
Mi nuh wait, trouble inna di place  
All night, we ah deal with di case  
She's not holding back, she's breaking all the rules  
We're blowing every fuse

You know just how to please me  
You make it seem so easy  
You have no flaws at all  
So baby completely  
I'm falling deeply  
Can't help myself at all, baby
