

# Call Me

WayV

You're so hard to read  
Never say what you mean  
When I look in your eyes  
You disguise  
How you really feel  
Pretty lies

Almost 10 days  
Since I've seen your face  
Checking my line  
Girl, am I still on your mind  
Tell me why

I'm losing sleep  
Is it just me  
Did you get my message  
Must be the connection

Call me crazy  
Call me foolish  
Call me every single thing you wanna call me  
You just better call me  
Call this situation toxic  
Call it off but don't get off it  
Call me  
You just better call me

This is urgent  
I've been up all night just tossin' turnin'  
Need to hear your voice  
But I'd rather see you in person  
I know beggars can't be choosy  
Honestly and truly  
I'll take what you give me  
I don't need too many minutes of your time  
Just a few tonight  
You've been in my head  
You've been on my mind  
I'll be leaving kisses through the phone  
Right before the tone

I'm losing sleep  
Is it just me  
Did you get my message  
Must be the connection

Call me crazy  
Call me foolish  
Call me every single thing you wanna call me  
You just better call me  
Call this situation toxic  
Call it off but don't get off it  
Call me  
You just better call me

Yeah, you better call me, baby  
Yeah, you better call me, baby

Yeah, you better call me, baby  
Yeah, you better call me

I'm waiting on you  
Baby, can you come through  
You know what to do  
And even if you

Call me crazy  
Call me foolish  
Call me every single thing you wanna call me  
You just better call me  
Call this situation toxic  
Call it off but don't get off it  
Call me  
You just better call me

Yeah, you better call me, baby  
Yeah, you better call me, baby  
Yeah, you better call me, baby  
Yeah, you better call me

Yeah, you better call me, baby  
Yeah, you better call me, baby  
Yeah, you better call me, baby  
Yeah, you better call me

Call me up, baby  
Even if you call me crazy  
Won't you call me  
As long as you call me
