

# Ice Tea

WayV

Hush  
She looking at me like  
Making, making me blush  
Keep it  
Hush  
She's so good  
I'm gonna drink her up  
Hush  
You'd think I'm making it up  
But it ain't a lie, ah, ah, ah  
Like Ice Tea, pour it on me  
She's so good  
I'm gonna drink her up

She ain't nothing on the side  
We get it on  
Like a dream in my mind  
Get it on like, however we wanna  
We keep it cool, no drama

I got her wishing that  
She'd walk into my space  
Twenty-four seven  
She up inside my head  
I see it all in her eyes  
What she saying  
Ain't no words to describe  
What we playing

Ohhhh  
Maybe it's a trick, but I know  
She's mine, mine, mine  
Let me go, whatever I'm into  
Girl, I don't know  
What you have in ya  
Ohhhh  
Gotta know

Hush  
She looking at me like  
Making, making me blush  
Keep it  
Hush  
She's so good  
I'm gonna drink her up  
Hush  
You'd think I'm making it up  
But it ain't a lie, ah, ah, ah  
Like Ice Tea, pour it on me  
She's so good  
I'm gonna drink her up

Like Ice Tea, pour it on me  
Ice Tea, pour it on me  
Ice Tea, pour it on me  
She's so good  
I'm gonna

Drink, drink, drink her up

Don't tell me  
I know what you want, uh  
Read the signs  
There's something about ya  
Never felt this way  
Now I can't get you out of my face

So just  
Don't go back  
Stay here forever  
Be on track  
Keep it together  
Make this last  
This ain't whatever  
Never find a, find a girl like

Ohhhh, maybe it's a trick, but  
Ohhhh  
Gotta know

Hush  
She looking at me like  
Making, making me blush  
Keep it  
Hush  
She's so good  
I'm gonna drink her up  
Hush  
You'd think I'm making it up  
But it ain't a lie, ah, ah, ah  
Like Ice Tea, pour it on me  
She's so good  
I'm gonna drink her up

She's so good  
I'm gonna drink  
Hush, hush, baby  
Get it on for the ride  
We're in it  
For the wrongs and the rights  
Hu-hush wanna get moody tonight  
Ba-ba-ba-ba-babe  
(Give me that Ice Tea!)  
Gotta know

Hush  
She looking at me like  
Making, making me blush  
Keep it (Me blush, me blush)  
Hush  
She's so good  
I'm gonna drink her up  
Hush  
You'd think I'm making it up  
But it ain't a lie, ah, ah, ah  
Like Ice Tea, pour it on me  
She's so good  
I'm gonna  
Drink, drink, drink her up

Like Ice Tea, pour it on me

Ice Tea, pour it on me  
Ice Tea, pour it on me  
She's so good  
I'm gonna drink her, drink her  
(I'll drink her up)  
(Pour it on me) (Yeah)  
She's so good  
I'm gonna drink her up
