

## Might As Well (??)

WayV

Tell me how you love me, tell me that it's real  
If we put in work, then we can make it real  
Xiàng shì mìngyùn ànshì jiāocuò láiguò  
Suíshí shàngyǎn Do it and do it and do it

We might as well

Kànjiàn nǐ de yǎnshén li yǒu huà xiǎng shuō  
You got that supernatural feeling and it can't be helped  
Jiěgòu suǒyǒu bùkěsīyì de míhuò  
Yeah, girl, you got me going crazy  
You let me know

Don't you wait kè zài mèngjìng dì dìtú  
You all in my brain sīcéngxiāngshí hěn qīngchǔ  
Never turn it back dá'àn jiù zài bù yuǎn chù  
'Fore I know it, she be gone and won't be trippin' over me

Tell me how you love me, tell me that it's real  
If we put in work, then we can make it real  
I don't wanna waste no time, get it on  
Yuán fèn zài cǐkè gǔntàng de kěwàng

Yùyán mèng lǐ xúnzhǎo We can take it slow  
Jiéjú wánměi fù kè That I want it more  
Xiàng shì mìngyùn ànshì jiāocuò láiguò  
Suíshí shàngyǎn Do it and do it and do it and

We might as well

Huàiyǔ dàizhe dǔdìng I'm whipped  
Tòulù jiézuò xùnhào What you gon' say  
Girl when you shine, get a sign, get it right  
Everybody gon' wish that they were us

Yùyán qiāndòng wǒmen zhī jiān  
Then you best believe that it's on  
Kǎoyàn mèng hé xiànshí duìxiàn de jīlǚ
