Jing zuo zai ri luo  
All I know is how to hide  
Man shi huang yan de shi dai  
Xin fei bu zhi xiang shei kai  
Bu shi zai zhuang ku  
Er shi gen ben mei ren zai  
Qi shi da an rong yi cai  
Xiao zhe biao yan I'm fine

I'm not sure what I've done  
Shei er yu zhi pei zhe wo  
Hei ye chi xu zhe fa tang  
Ri zhao she ti xing zhe wo

Someone testing me  
Took my energy  
What was left for me  
Zhe fu zai meng li deng dai zhe su xing  
Ni zhe feng xiang kang ju destiny  
What I get bruised  
I might bleed when I lose  
What's the difference here between me and you

Rang xin tiao liu xia lai  
What a life what a life

I'm only human on sight  
Tackle life in my section  
Mai zang li xiang goodbye  
Shi jian zhong yu man xia lai  
Give it up for one price  
That price that never gonna live right  
At times ye cheng le fu dan  
Zong shi zhong xian na xie zu ai

Huo xu sui zhe shi jian xiao shi  
Yong heng ding yi bu fu zai  
Dai jin hou you zhong xin kai shi  
Bu qing yi wei shei geng gai

Bu xiang chen mo de wasting my life

Next time I see you it's on sight

I feel so close but yet so far away  
Mei dang gu ji shi huai yi wo shi shei  
Xian shi zu dang zhe wo wu fa jin tui

Life or death for me

Zan shi chen shui shen yuan gu di  
Wake up because I wanna be  
Tell me what
