

## Get Out

WC

Who wanna roll with the real nigga? - itchy finger, wine hitter  
Waiting at the back of the club sipping liquor with Don figures  
Diamonds on my bedazzles and bandannas is my apparel  
Trying to take these whores to the next level  
Just off on parole, pocket full of dough  
Blowing Blueberry in V.I.P with X.O.  
I know it's hard to believe, you ain't never seen a rider  
With so many rocks in this flea color (BLING! BLING!)  
The ghetto Michael Jordan of Rap penetrating  
Stepped up away from the game and came back like retaliation  
Now it's on til they bury me (COME ON!!) Get them up, hit them up  
Back balling for life, living it up  
Used to wear a Ski Mask where the cash be  
Now I'm 'Rich Rolling' with girls, riding this black Ashy  
It's 'Cash Over Ass' - you know what I'm saying?  
They need to bending over, I'm paying

[DJ Crazy T.:] BITCH GET OUT!!

[Black Chill:] If we ain't fucking tonight, if we ain't fucking tonight

[DJ Crazy T.:] BITCH GET OUT!!

[Black Chill:] If you ain't sucking tonight, if you ain't sucking tonight

Love me or love me not, Dub gonna stay on the tattle  
Making Chicken Heads swallow  
I know all of y'all trying to get paid for the Sex play  
But I see through these jams like X-Ray  
Swerving on the highway with the knight vision  
From South Central to Down South that's my mission  
On my way to the Strip Club to spend a little bit  
Don Bacardi, Party and Bullshit  
Chop dirty money on the Wood Grave with my out of town players  
Cause Game Recognize Game, chasing cheese  
Lacing up pieces of presidential with sweet hits  
Switching whores like leases, all weekend  
Got them tricks spreading them ass-cheeks and  
Box Springs and Mattress is squeaking; Pimps up, whores down  
And if you ain't fucking, don't bring your ass around

Yeah, roll that shit, light that shit  
Throw that there, Bitch! put something in the air  
I got more humps and four pumps to make your crew jump  
Eight times, threw in the chumps  
Anti pretty nigga, greedy nigga - Fuck the industry nigga  
Roll my penitentiary Tennessee nigga in jail clothes  
With balls big as shell toes  
Trying to see naked butt assholes and elbows  
Out for Skrilla, pimp the game like a gorilla  
Still a banger, lap dance nipple filler (Nigga)  
Loaded, Arm One, squatting down low and taking flicks  
Correctional Facility posing, came up the hard route  
But now I'm hood Start-out  
Pull a card out, we're about to buy the pour-out  
Drunk a lot, touched the cot  
Bitch! we ain't play with it, we just fuck a lot

BITCH GET OUT!!
