

It's All Bad

WC

Last man standin', I'm shot
But I can't fear bleedin'
My nigga's face down, stretched out, no longer breathin'
I'm speedin', pump eatin', swervin' in the G and
Red & blue lights and squad cars is all I'm seein'
I told you motherfuckers "No moves, no altercations"
Now it's half a tank a gas and a hostage situation
I'm facin', 25, with the 'L' so I'm stompin'
I can't shake One-Time bitch, I swear I'm dumpin'
Helicopters trailin' my ass, won't surrender
Only thang I'm givin' up is hollow points and middle fingers (fuck y'all!)
Whoever set this shit the fuck up, done got us fucked up
Runnin' outta time, and shit outta luck
Take that! [2 gunshots]
I ain't goin' down mothafucka'!
Take this! [2 gunshots]
My car roof could suck my dick!
I'm on a high-speed chase, with two money bags, [woman screams] and a
screamin' ass BITCH

It's All Bad!

[cops:] "Possible 211 suspect driving southbound on the 215 driving an '84
Cutlass Supreme. Believed to be armed. Please proceed with caution."
[WC:] It's All Bad!
[cops:] "Everyone proceed with caution, suspect is believed to be a black ma

[WC:] It's All Bad!

They trynna cut me off against the gutta' lane
Trynna run these motherfuckers to the border man
Side-swiped the mothafuckin' El Camino!
Trynna get my black ass up outta San Bernadino
I catch the 215, to the 405
I'm catchin' hell trynna make it to the 5 I line!
They cut me off again I got to go the other way
Channel 5 in the sky we'll take [helicopter sounds] 'em through L.A.
[woman screams throughout] Quit screamin' BITCH (shut the fuck up!)
Ho' you slowin' me down, they ain't thinkin' 'bout yo' ass SHUT THE FUCK UP

The bitch didn't budge, so I shot her, [woman stops screaming] "Bla! Bla!"
[with 2 gunshots] (stupid!)
(Fuck, take a look at you now!)
I kicked the door open [door opens], threw her body on the freeway
Continued the chase, wiped the blood [door closes] off my face
Lookin' for an exit as soon as I reloads my mag' (reloads mag)
[car horns throughout] Stuck in heavy traffic...

Nigga It's All Bad!

[cops:] [?] "Suspect has just thrown female hostage on the side of the 605 f
reeway.
We now have him in heavy traffic on the 105 heading westbound."

I'm runnin' down Imperial past Imperial Courts

Stop to catch my breath 'til I heard the dogs barkin'

Now a nigga's runnin' past a nigga's cigardens[?]

I hear the helicopter closin' in, yellin' "freeze"

But I'm yellin' back "fuck you!", hittin' 'em up with C's (fuck yaa'll!)

A beautiful day for dyin', nigga I'm hearin' sirens

On sight, no warnins that these coward's 'll be firin'

I made my way to Avalon

Peepin' any, get in the corner

Saw this nigga slippin' in a '98 Ac-Right
