

## Don't Be Scared

We Are KING

Don't be scared  
Don't be scared  
Don't be scared to love  
Better to love than never love at all  
Don't be scared

Don't be shy  
Don't be shy  
Don't be shy to tell  
You may lose the chance to tell  
So don't be shy

When your hearts are lit  
Drop your survival kit  
Then you never have to  
Run or split  
Sun in the east  
Moon in the west  
This boat's moving slow  
Oh, there's (No land in sight)  
At all  
Away we go

Don't be scared  
Don't be scared  
Don't be scared to love, oh, babe  
(It's better to love than never love at all)  
You oughta know (It's better to love than never love at all)  
You oughta know (It's better to love than never love at all)  
Don't be scared
