

# Knock Me Down

## We Are Messengers

They tried to lock me in the darkness  
And throw away the key  
But there's something deep inside me  
That the blind can't see

But I don't care what they think  
They can't define me  
The only thing that matters  
Is I've been set free  
Yeah, I've been set free

You can put me in a cage  
But Imma bust right out  
No there's nothing gonna hold me  
Hit me with the rage  
Yeah, I can go ten rounds  
No there's nothing gonna knock me down

No, you don't get to tell me  
What I can be  
Go on talk all you want  
But I know what I believe

You can put me in a cage  
But Imma bust right out  
No there's nothing gonna hold me  
Hit me with the rage  
Yeah, I can go ten rounds  
No there's nothing gonna knock me down  
No there's nothing gonna knock me down

Rise up, lift your head, rise up  
We're Coming back from the dead  
Rise up, lift your head, rise up  
We're Coming back from the dead

You can put me in a cage  
But Imma bust right out  
No there's nothing gonna hold me  
Hit me with the rage  
Yeah, I can go ten rounds  
No there's nothing gonna knock me down  
No there's nothing gonna knock me down  
No there's nothing gonna knock me down
