## We Are Messengers

Yeah everybody hurts sometimes I know that's what they say  
But right now it seems this loneliness won't go away yeah  
Can anybody feel this heart ache  
Is anyone around

Feels like we're running round in circles we can't catch a breath  
We can't enjoy the moment when we always want what's next yeah  
Just when I can't take no more  
It's when I hear you say

Don't hang your head when you get lonely  
No, I'll never leave your side  
And don't go thinking you're the only  
One that can't get it right  
Yeah you've got my love love love love  
Down in your soul  
Yeah you've got my love love love  
And I won't let you go

I know there's nowhere I can run there's nowhere I can hide  
From the one who gave His life so I could get back mine yeah  
So when you can't take no more  
Look up and hear Him say

Don't hang your head when you get lonely  
No, I'll never leave your side  
And don't go thinking you're the only  
One that can't get it right  
Yeah you've got my love love love love  
Down in your soul  
Yeah you've got my love love love  
And I won't let you go

Your Mercy is new every morning  
Your Grace sustains all of my life  
You are the One that I run to  
In you I am satisfied

Your Mercy is new every morning  
Your Grace sustains all of my life  
You are the One that I run to  
In you I am satisfied

Don't hang your head when you get lonely  
No, I'll never leave your side  
And don't go thinking you're the only  
One that can't get it right  
Yeah you've got my love love love love  
Down in your soul  
Yeah you've got my love love love  
And I won't let you go
