

# Magnify

We Are Messengers

I've been trying to make sense of the sorrow that I feel  
Holding on for life to the only thing that's real  
I've only scratched the surface, I've barely had a taste  
But just a glimpse draws my heart to change  
And one sight of you lays my sin to waste  
I don't need to see everything, just more of you

Take it all, take it all away  
Magnify no other name  
Open up, open up my eyes  
To you

Take it all, take it all away  
Magnify no other name  
Open up, open up my eyes  
To you

My sight is incomplete and I've made you look small  
I've been staring at my problems for way too long  
Re-align where my hope is set, until you're all that's left  
But just a glimpse draws my heart to change  
And one sight of you lays my sin to waste  
I don't need to see everything, just more of you

Take it all, take it all away  
Magnify no other name  
Open up, open up my eyes  
To you

Take it all, take it all away  
Magnify no other name  
Open up, open up my eyes  
To you

Oh God, be greater, than the worries in my life  
Be stronger, than the weakness in my mind  
Be louder, let your Glory come alive  
Be magnified

God be greater, than the worries in my life  
Be stronger, than the weakness in my mind  
Be louder, let your Glory come alive  
Be magnified  
Be magnified

Take it all, take it all away  
Magnify no other name  
Open up, open up my eyes  
To you

Take it all, take it all away  
Magnify no other name  
Open up, open up my eyes  
To you, to you
