

Never Change Your Mind

We Are Messengers

You've already made Your mind up
I don't have to prove a thing
I can come just as I am, God
You don't need nothin' from me

I've given You so many reasons
For You to turn Your back on me
But You've already made Your mind up
You've already set me free

Oh what love
Oh what love is this
I couldn't change it if I tried, no
I still can't believe it's mine
Oh what love
Oh what love is this
You tell me every single time
That You will never change Your mind
You'll never change Your mind on me

You're not holdin' any grace back
When I make a mess of things
You're not lookin' for perfection
You're searchin' deeper underneath

You've given me so many reasons
To believe the words You say
But You're not holdin' any grace back
You pour it out on me instead

Oh what love
Oh what love is this
I couldn't change it if I tried, no
I still can't believe it's mine
Oh what love
Oh what love is this
You tell me every single time
That You will never change Your mind
You'll never change Your mind on me

You don't give and then take it back
You give love with no strings attached
You've got me wherever I'm at
You give love with no strings attached

You don't give and then take it back
You give love with no strings attached
You've got me wherever I'm at
You give love with no strings attached

Oh what love
Oh what love is this
I couldn't change it if I tried, no
I still can't believe it's mine
Oh what love
Oh what love is this
You tell me every single time

That You will never change Your mind
You'll never change Your mind on me

You'll never change Your mind on me
