

The Devil Is A Liar

We Are Messengers

I wear my heart on my sleeve
Don't wanna be fake
But I heard I should be ashamed
From the mouth of a snake
Deep down I'd rather feel
Show you something real
But there is power in my weakness

They can try to keep me silent
But I'ma shout it from the mountain
No I'm not backing down

The Devil is a liar
The Devil is a liar
My God has set me free
Opened my eyes now I can see
The Devil is a liar
And he's not fooling me

I know he won't give up easy nah
He can try but he won't deceive me
I can see, I can see right through him
He wants me to hide, he's the father of lies
But I got an army on my side
And we're not backing down

The Devil is a liar
The Devil is a liar
My God has set me free
Opened my eyes now I can see
The Devil is a liar
And he's not fooling me

Though I walk
Through the valley of the shadow of death
I will fear no evil, fear no evil
He comes to kill, steal and destroy
But I ain't quitting I'm not backing down
Not giving up, he can't hold me back
Cause I run with the King and the truth is

The Devil is a liar
The Devil is a liar
Yes my God has set me free
Opened my eyes now I can see
The Devil is a liar

The Devil is a liar
The Devil is a liar
The Devil is a liar, liar
The Devil is a liar, liar, liar
And he's not fooling me
