

Wholehearted

We Are Messengers

Got a lot in my past
Got a lot on my mind
There's a lot of things I want back
There's a lot of me I don't like
But I come
Just as I am to You
And I know
Just what You're gonna do

When I need grace
You give it wholehearted, give it wholehearted
I was a mess
But You never departed, never departed
Faithful when I'm at my worst
No I don't get what I deserve
'Cause when I need grace
You give it wholehearted, give it wholehearted

Even when it's all my fault
You never push me away
When all my bridges have been burned
You make another way
When everyone is leaving
I can see that
You're the one who sticks around
Everything I'm needing
I can see it
You're still the one who's reaching out

When I need grace
You give it wholehearted, give it wholehearted
I was a mess
But You never departed, never departed
Faithful when I'm at my worst
No I don't get what I deserve
'Cause when I need grace
You give it wholehearted, give it wholehearted

You don't hold back, You don't hold back
Your love is not afraid to run
You don't hold back, You don't hold back
Not ashamed of the things I've done
You don't hold back, You don't hold back
Your love is not afraid to run
You don't hold back, You don't hold back
Not ashamed of the things I've done

When I need grace
When I need grace
You give it wholehearted, give it wholehearted
I was a mess
But You never departed, never departed
Faithful when I'm at my worst
No I don't get what I deserve
'Cause when I need grace
You give it wholehearted, give it wholehearted
I need grace

You give it wholehearted, give it wholehearted
