

# Forgiveness

**We Are Scientists**

Gorgeous it's been way too long  
For this to be going on

What I need's anybody's guess  
But honestly I don't expect  
Forgiveness

For everything is new  
It all turns eventually to you

What I need's anybody's guess  
But honestly I don't expect  
Forgiveness

What I need's anybody's guess  
But honestly I don't expect  
It's likely that I'm going to get  
Forgiveness  
Forgiveness  
Forgiveness  
Forgiveness
