

# Let Me Win

We Are Scientists

I know you're never gonna go and let this die  
'Cause either way it ends up you know you'll be fine  
Well every time this falls apart  
You lay a casket for my heart  
It doesn't have to be this hard  
Just this once, let me win  
Let me win

You'll never know how deep it goes until you try  
This is isn't real, it isn't fun, it isn't right  
You've got a lot to figure out  
We're in a spot, there is no doubt  
Well all I want, if I'm allowed  
Just for now, let me win  
Let me win

I hope I still have time,  
to change your mind,  
to change your mind (8x)
