Operator Error

We Are Scientists

I could foresee it from a mile away
This whole oncoming disaster
You think it's bad now, oh man, why don't you wait?
You won't believe what comes after
It's all a game of confidence

Cut the shit, enough of this
Do you believe me? Don't pretend to doubt it
All this said in confidence
If you can't keep a secret, just keep quiet

You keep on saying that you don't get the joke
So why the hell are you laughing?
I could explain, but you prefer that I don't
At least I got a reaction
It's all a game of confidence

Cut the shit, enough of this
Do you believe me? Don't pretend to doubt it
All this said in confidence
If you can't keep a secret, just keep quiet

I've been taking swings at these things like I'm accruing point
s
Going evangelical, but probably just making noise
Honestly, I didn't mean for this to be a holy war
The gloves are coming off – is it a handshake or a broken jaw?

Cut the shit, enough of this
Do you believe me? Don't pretend to doubt it
All this said in confidence
If you can't keep a secret, just keep quiet
