

# Ghosts

We Came As Romans

Bad habits are ghosts haunting me  
A thought that never leaves  
From when I wake until I sleep  
To seek haven in my dreams  
Where I feel I can finally breathe  
Forget everything  
Away from my reality

Because as long as I stay here  
I won't face my fears  
Right now I fear myself  
And what my heart held

The worst words or warmest heart  
Self-serving or selfless love  
The worst words or warmest heart  
Self-serving or selfless love

I will scream 'til the breath is gone from my lungs  
I will scream 'til it's gone  
I will leave all the rest of my ghosts behind  
I will leave them behind

Ghosts haunting me aren't defining me  
Ghosts taunting me are reminding me

Change the way you act,  
Change the way you act, not just the way you think  
Change the way you live, live the way you claim  
Words are just words, until they're put to work  
And it will be actions, not words, that change this earth

Change the way you act  
Change the way you live

Change (Change)  
Change (Change)  
Change the way you act, not just the way you think  
Not just the way you think, way you think  
Change the way you live, live by the words you say  
Live by the words you say, words you say

I will scream 'til the breath is gone from my lungs  
I will scream 'til it's gone  
I will leave all the rest of my ghosts behind  
I will leave them behind

Change the way you act, not just the way you think  
Change the way you live, live the way you claim  
Words are just words, until they're put to work  
And it will be actions, not words, that change this earth.  
(Change the way you live)
