

# One Day

We The Kingdom

I'm gonna cross that river  
See castles in the sky  
Gonna soar on wings like eagles  
Into the by-and-by

Gonna see paradise  
Where joy will never end  
You know there will be dancing  
And I'm gonna spin in the wind

One day  
One day  
I'm gonna fly in Heaven  
Over the crystal waves

One day  
One day  
All of my fears forgotten  
All my tears wiped away

Amen

I'm gonna talk with Jesus  
And those who've gone before  
But only the beautiful memories  
Make it inside Heaven's doors

One day  
One day  
I'm gonna fly in Heaven  
Over the crystal waves

One day  
One day  
All of my fears forgotten  
All my tears wiped away

And on that day we'll be  
Once and forever free  
We'll lift our hands  
And praise the King forever

We're pouring out our hearts  
Around the throne of God  
The saints and angels  
Singing all together

Singing all together

One day  
One day  
I'm gonna fly in Heaven  
Over the crystal waves

One day  
One day  
All of my fears forgotten

All my tears wiped away

One day  
One day  
I'm gonna fly in Heaven  
Over the crystal waves

One day  
One day  
All of my fears forgotten  
All my tears wiped away

People get ready  
There's a train a-coming
