

I've been blinded by  
Insecurity  
All the pain I feel  
Could be the death of me  
I'm surrounded by  
Fear that won't let go  
If there's a way out  
Someone let me know

I'm reaching out, one last plea  
Is hope all gone? Somebody save me  
SOS, I'm lost at sea  
Is hope all gone? Somebody save me

I've seen traces of  
Joy that never ends  
It seems so far away  
If it's even real  
There must be more than this  
Change me if it's true  
If You are for real  
Help me follow You

I'm reaching out, one last plea  
Is hope all gone? Somebody save me  
SOS, I'm lost at sea  
Is hope all gone? Somebody save me, oh

Why do I do the things  
I don't wanna do  
I don't wanna do  
When all they do is hurt me?  
Why do I do the things  
I don't wanna do  
No, I don't wanna do  
When all they do is hurt me?  
Why do I do the things  
I don't wanna do  
I don't wanna do  
Oh, when all they do is hurt me?  
Why do I do the things  
I don't wanna do  
I don't wanna do  
Oh, when all they do is hurt me?

I'm reaching out, one last plea  
Is hope all gone? Somebody save me  
I'm reaching out, one last plea  
Is hope all gone? Somebody please save me  
SOS, I'm lost at sea  
Is hope all gone? Somebody save me
