

## Just Keep Breathing

We the Kings

When heaven seems so far away  
And dreams are just a memory  
Without the dark the light won't show  
Remember that you're not alone

When you watch the world just turn away  
And break the promises it made  
When love is all too hard to hold  
Just take a breath and let it go

Whoa whoa oh, whoa whoa oh, whoa whoa oh  
Just keep breathing, breathing, breathing  
Whoa whoa oh, whoa whoa oh, whoa whoa oh  
Just keep breathing, breathing, breathing

2 A.M., too tired to sleep  
When what you want's not what you need  
And when these walls don't feel like home  
Remember that you're not alone

The beginning's just another end  
It's not too late to start again  
When hope is all too hard to hold  
Just take a breath and let it go

Whoa whoa oh, whoa whoa oh, whoa whoa oh  
Just keep breathing, breathing, breathing  
Whoa whoa oh, whoa whoa oh, whoa whoa oh  
Just keep breathing, breathing, breathing

Ooh ooh...

When heaven seems so far away  
And dreams are just a memory  
When love is all too hard to hold  
Just take a breath and let it...

Go whoa oh, whoa whoa oh, whoa whoa oh  
Just keep breathing, breathing, breathing  
Whoa whoa oh, whoa whoa oh, whoa whoa oh  
Just keep breathing, breathing, breathing
