

# Bad Ass Bitch

We Three

The come down is for real (It feels like shit)  
When I'm not around your body (That ass don't quit)  
My girls got a different feel (I'm in love with it)  
She walks like she drives a Ferrari (Wearing bad ass fits)  
She doesn't think it's a big deal  
And I don't know how to tell you that it is (But it is)  
The come down is for real (It feels like shit)  
Cause you're a bad ass bitch (I'm in love with it)

An ass for an asshole, damn that's poetic  
I'll buy you a castle, I said it and I meant it  
We break like a glass bowl it's kind of pathetic  
Your yes means no  
And I know that I forget it  
We know we're in love  
But we know we're still toxic  
Talking to each other like we think that we're dog shit  
Take you on a date I pay for the dinner  
But by 10:35 we're turning into sinners

I'm an asshole  
I know you're an asshole too  
No, it isn't right  
But it's what we do  
We don't compromise  
We don't talk things through 'cause

The come down is for real (It feels like shit)  
When I'm not around your body (That ass don't quit)  
My girls got a different feel (I'm in love with it)  
She walks like she drives a Ferrari (Wearing bad ass fits)  
She doesn't think it's a big deal  
And I don't know how to tell you that it is (But it is)  
The come down is for real (It feels like shit)  
Cause you're a bad ass bitch (I'm in love with it)

In this life or the next  
I'd climb your walls like Spider-Man  
You could be a ghost, you could be a woman  
You could be a man, or you could be a villain  
Maybe this is all just practice, so in the next life will be masters  
Cause I know one lifetime won't give me the time with you I'm after no

I'm an asshole  
I know you're an asshole too  
No, it isn't right  
But it's what we do  
We don't compromise  
We don't talk things through 'cause

Come down, come down  
Come down, come down

(It feels like shit)  
(That ass don't quit)  
(I'm in love with it)  
(Wearing bad ass fits)  
(Big deal)  
(And I don't know how to tell you that it is)  
(But it is)  
(It feels like shit)  
(I'm in love with it)
