

She's Got That

We Three

She's got that ooh ooh ooh
When she moves moves moves
She'll never lose lose lose
Unless she wants to
She doesn't have to prove prove prove
She's better than you you you
Or better than me me me
But she could if she wanted to

I've been dreaming about it when I should be going around it
I've been pulling in the parking lot and fucking in her favorite spot
Living out fantasies of a hundred guys daydreams
They know what you are
Cause you're a catch
But I'm the one that caught you

Let's just take a drive till we run out of gas
Or the car breaks down
Or we end up in a crash
Put your feet up on the dash play the music too loud
Till the speakers blow up
And we don't know where we're at

She's got that ooh ooh ooh
When she moves moves moves
She'll never lose lose lose unless she wants to
She doesn't have to prove prove prove
She's better than you you you
Or better than me me me, but she could if she wanted to

She smells like sex from head to toe
But likes her body and baggy clothes
She keeps her assets close unless she wants you
She's got that ooh ooh ooh
When she moves moves moves
She'll never lose lose lose unless she wants to

She's a lot a bit of this and that she's got a body that's making every other girl mad
Cause she's sweet she's smart and she's funnier than you
She'll get a new tat and then you'll wanna get it too
She's a firecracker a natural disaster you think you're getting close
But you're never gonna catch her
This isn't like church she ain't no pastor
She's in my car and she said drive faster

Let's just take a drive till we run out of gas
Or the car breaks down
Or we end up in a crash
Put your feet up on the dash play the music too loud
Till the speakers blow up
And we don't know where we're at

She's got that ooh ooh ooh
When she moves moves moves
She'll never lose lose lose unless she wants to
She doesn't have to prove prove prove

She's better than you you you
Or better than me me me
But she could if she wanted to

She smells like sex from head to toe
But likes her body and baggy clothes
She keeps her assets close unless she wants you
She's got that ooh ooh ooh
When she moves moves moves
She'll never lose lose lose unless she wants to
And she doesn't

She's got that
She's got that ooh ooh ooh
She's got that
She's got that
She's got that
She's got that ooh ooh ooh
She's got that
She's got that
She's got that ooh
