

Timeless

We Three

Please don't go away
That's what I meant to say
You know I'm not good with words
You'd think by this time I should be

Take me as I am
And I'll do the best I can
To be the kind of man
That you would one day choose

To be intertwined
Never get you off my mind
Have a love that's timeless
Never look behind us
We'll sing our songs
We'll write our wrongs
Baby, when we are ninety
And your brown eyes look at me

I'll still write these rhymes for you
Sing them when you'd like me to
Show that the whole world can stop for you
It's what I know how to do

You feel like a wreck
With my fingers on this neck
I'll serenade you, babe
Till the day we hit the grave

We'll be intertwined
Never get you off my mind
Have a love that's timeless
Never look behind us
We'll sing our songs
We'll write our wrongs
Baby, when we are ninety
And your brown eyes look at me

I'll still write these rhymes for you
And sing them when you'd like me to
Show that the whole world can stop for you
It's what I know how to do

We'll be intertwined
Never get you off my mind
Have a love that's timeless
Never look behind us
We'll sing our songs
We'll write our wrongs
Baby, when we are ninety
Baby, when we are ninety
Baby, when we are ninety
Baby, when we are ninety
And your brown eyes look at me

I'll still write these rhymes for you

Sing them when you'd like me to
Show that the whole world can stop for you
It's what I know how to do
