

In Light

We Were Promised Jetpacks

I've not got a lot to share, I'm holding onto everything I have
I'm not as sure as I think I am, I'm influenced by everybody else

In light we'll meet again
In light we'll meet again
In light we'll meet again

I'm sick, sick to the back teeth now, I'll open up and show you
if I want
My grip is not what it used to be, I'm holding on with one less
fingertip

And it's hard to escape who you are
When you take
(In light we'll meet again)
And you take
(In light we'll meet again)
And you take
(In light we'll meet again)

Show me where the garden grows, show me where we'll sleep
I'm not a fragile ornament, if you drop me I won't break

And it's hard
(In light we'll meet again)
To escape
(In light we'll meet again)
Who you are
(In light we'll meet again)

When you take
(In light we'll meet again)
And you take
(In light we'll meet again)
And you take
(In light we'll meet again)

It's all gonna be okay
It's all gonna be okay
It's all gonna be okay

In light we'll meet again
In the light we'll meet again
In light we'll meet again
