## We Were Sharks

Don't want to think about it anymore  
I'm sick of banging on a locked door  
I'll just keep living on the outside  
Everything is fine, everything is fine  
Everything is fine

What you looking at the time for  
I don't think I've ever been bored  
Hands on the clock are giving high fives  
Cuz everything is fine, everything is fine  
Everything is fucked

And everybody acts so shameless  
Fuck that fuck you, eat pavement  
Everybody acts so shameless, shameless

We're all looking for reactions  
Thumbs up for destructions  
I can't help feeling like we crossed some line  
Everything is fine, everything is fine

Everything is fine  
If I close my eyes

Everything is fucked  
And everybody acts so shameless  
Fuck that fuck you, eat pavement  
Everybody acts so shameless, shameless  
Now everybody wants to be famous  
That's self worth based on payment  
I'd rather be dead than nameless  
So shameless

Can I be perfect?  
I want to be like you  
Oh, make me over  
Come on fix my attitude  
Can I be perfect?  
Yeah, I want to see the light  
I want to believe that everything is fine, everything is fine

Everything is fine  
If I close my eyes  
Then I won't lose my mind  
Everything is fine  
Everything is fine

Everybody acts so shameless  
Fuck that fuck you, eat pavement  
Everybody acts so shameless, shameless  
Now everybody wants to be famous  
That's self worth based on payment  
I'd rather be dead than nameless  
So shameless

Everybody acts so shameless  
Everybody acts so shameless

Everybody acts so shameless
