

Feel Good

Weathers

Going for a joyride
Looking for some new skies
I don't mind
I just wanna feel good
I don't sleep the same dream
I'll go do my own thing
All the time
I just wanna feel good

I wanna get out
My mouth is on fire
You're letting me down
My heads on wire
She's pulling my hair out
I'm losing my laughter
Am I making you scared
Ah

And nothing's changed
I'm not OK
I'm not OK
Lately
I'm lost in space
I feel the same
I feel the same
Lately

Going for a joyride
Looking for some new skies
I don't mind
I just wanna feel good
I don't sleep the same dream
I'll go do my own thing
All the time
I just wanna feel good
I just wanna feel good

I'm covered in doubt
And spilling the liquor
I wish I was loud
And could sing it all better
I'm crying for help
Cause I lost my sweater
I'm living in hell
Ah

And nothing's changed
I'm not OK
I'm not OK
Lately

Going for a joyride
Looking for some new skies
I don't mind
I just wanna feel good
I don't sleep the same dream
I'll go do my own thing

All the time
I just wanna feel good
I just wanna feel good

I'mma start a new world order
And now I'm just looking for fun
Haven't even thought about
My disorder
Gonna reset evolution
By keeping it light and dumb
But I'm trying to work it out
Still haven't thought about
Ah

Going for a joyride
Looking for some new skies
I don't mind
I just wanna feel good
I don't sleep the same dream
I'll go do my own thing
All the time
I just wanna feel good

I just wanna feel good
I just wanna feel good
