

Any Old Time

Webb Pierce

Any old time you wanna come back home
Write me a line I'm so lonesome since you've gone
I had my chance I played the game unfair
But when you left me sweetheart
I never thought I'd really care

Now that you're gone

I don't know what to do
Won't you please come back
Cause I'm still in love with you

You'll find me here
Like the day you left me alone
Any old time
You wanna come back home
