

Bow Thy Head

Webb Pierce

I have heard of a land
Where the sun is always shining
And I know I can go there someday
God has taught us in His word
Bow thy head and you'll be heard
I will go for his teaching I'll obey

There are many who've taken the wrong way
But it's still not too late to go
As for me I've made my plan
I will see this promised land
Bow thy head bow in prayer and follow Me

In this land I am told
All the streets are paved with gold
And you're free free from all your earthly cares

There's no evil kings to fear
Just one kingdom all can share
Jesus died on the cross to make it so

There are many who've taken the wrong way
But it's still not too late to go
Take the Savior's outstretched hand
He will lead you to that land
Bow thy head now in prayer and follow Me
