

# Don't Do It Darlin'

Webb Pierce

[Verse 1]

There's so many flirty guys with flirty, flirty ways  
And I'm so afraid they'll try to steal your love from me someday  
Don't you let 'em, darlin', your love belongs to me  
Oh, please don't ever let them think your heart is fancy free

[Refrain]

Don't you do it, darlin', your heart belongs to me

[Verse 2]

They'll tell you that I trifle and that you should do the same  
They'll tell you that they need your love so why not make the change  
Don't you let 'em, darlin', your love belongs to me

Oh, please don't let them blind you, I still love you, can't you see

[Refrain]

Don't you do it, darlin', your love belongs to me

[Verse 3]

They'll offer you a mansion, ask you in to be their queen  
They'll try to give you riches, make your life a happy dream  
Don't you let 'em, darlin', that dream belongs to me  
Oh, sure, they'll try to buy your love with riches such as these

[Refrain]

Don't do it darlin', your heart belongs to me
