

## I Know (It Was You)

Webb Pierce

Through all my wasted years, through all my bitter tears  
Whose hand held fast to mine, I know it was you  
Through all my darkest hours whose faith had magic powers  
Who saved this love of ours, I know it was you

I know that you're the one who's always been so true  
Now let me be the one to make it up to you  
Who overlooked the past, whose love for me held fast  
When I thought it wouldn't last, I know it was you

I know that you're the one who's always been so true  
Now let me be the one to make it up to you  
Who overlooked the past, whose love for me held fast  
When I thought it wouldn't last, I know it was you
