

# Oh, So Many Years

Webb Pierce

My darling I have loved you oh so many years

All these many years I've loved you, no one has ever known  
No one has ever known, but me alone  
We've kept it locked inside our hearts, and smiled thru all those tears

My darling I have loved you, oh, so many years

Each night within my lonely room, I cry dear over you  
I'll pray to god that things will turn out right  
And when the dawn of day appears, I brush away my tears  
My darling I have loved you, oh, so many years

Maybe fate will lead us down a path where we will meet again  
And then we'll both be free to love anew  
Then one sweet kiss from your dear lips, will banish all those fears

My darling I have loved you, oh, so many years
