

Another One

Webbie

Anothe one, another one set on
Im in the way and stand on the police way
They kill the ...thats what they see ...
They finelty come alone and waiting for the ...
And you better stay abotu the motherfuceker way
Onother day, another hater try to stop the paper
Refrigerate thebwya you stand inside the way
What the fuck bro which one you try to hate
Get it off bro with you ...
...nigga with blond hair
.but you know what I ball now
.zipping on my city and I aint even going down
Wanna see me on the prison I aint going now
And I hate to interup young boy
But I just gotta say it boy
Fuck your whore
She finish my massage I go looking in garaje
And all I see its nigga .
When I make a few dollars I won another one
After an other one Ill roll another one
I got enough of power I dont need another one
I dont think I need another one
Now in my life I try to blaze another one
I cop and ...another one
Click mu other on ewaiting for my other one
Im the only one and that could be the only one
And I aint be ...teasted
Im the only one and I try to be specific
My littl; e brother life it was so terific
Money cause whore knows Im missing
Pay to be the bell
And its si expensive
This ...full of money know exosten cant rent it
Came on with my dogs while Im so defensive
Now you know that when i said I was truly admited
Another ...i ball another one
Man I cant let the the people say it with another gun
You can try do my life and do my ...and do my brother ...
I ball my another side you gonna need line
And I was speaking in the past
I got some many problems like I need some rest
Hard to for speed I know you see that
Just know that when I lose imma always be back
When I make a few dollars I won another one
After an other one Ill roll another one
I got enough of power I dont need another one
I dont think I need another one
Now in my life I try to blaze another one
I cop and ...another one
Click mu other on ewaiting for my other one
Im the only one and that could be the only one
You know if they dont make dollars, it dont make the sence
You know I know my shit I dont pay rent
You know I keep that shit ...
I stay bet, she know she dont let me in I stay here
Yall that shit gte real I dont play games
I stay husteling day out and day in

I know you gotta go get it
It aint no wave shit
I stay husteling day out and day in
I know you gotta go get it
It aint no wave shit
Hold that the money like Im racing
He know he dont come home to ...pro base it
But thats better in life bro they want you to stay in
And if its for the kids I participate in
You know I gonna try my best to make so daily
Me agist the world yeah I know what Ill face it
I know what my dreams is I gonna keep chasing
We all know that youll say fucked up Mason
Its real life thats all Im saying
When I make a few dollars I won another one
After an other one Ill roll another one
I got enough of power I dont need another one
I dont think I need another one
Now in my life I try to blaze another one
I cop and ...another one
Click mu other on ewaiting for my other one
Im the only one and that could be the only one
