I'm a savage so you know I like it ratchet
All that ass I gotta have it
If she clap it, I'ma slap it
If she nasty for the camera when she flashin', I'ma snap it
Long hair, don't care
Let me grab it, aw yeah
I like a bitch who got bundles

Make up

Got kid
But she still buy weaves
Yeah my bitch got bundles

Hood bougie and petty
She got good p*ssy and credit
Yeah my bitch got bundles

20 inches I can pull from the back
Yeah I keep a fist full
Yeah my bitch got bundles

Silks draped
Full laced
Baby hair round the edge of her face
